Paleologue, Jean de. 1890. Patin-bicyclette. Chromolithograph . France.

BEGINNING YOUR JOURNEY

- WORK OF ART: _____
- ARTIST: _____
- TITLE: _____

Pick an artwork that grabs your attention. Pretend that you are a traveler inside the artwork, then answer the following questions and do each activity in each section (use complete sentences):

What can you see from where you are standing?

Where are you going?

What are you wearing? What is the weather like?

What are you carrying in your backpack that you will need for your vacation?

What does this place make you think of? Have you ever been somewhere like this before?

Why did you choose this place to visit? How does this place make you feel?

ART FOR THE 5 SENSES

Describe what you would experience inside the artwork.

See

Hear

Smell

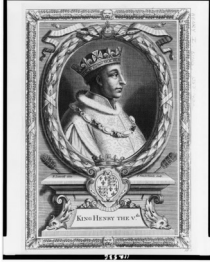

Taste

Feel

PROSE POEM

Based upon the artwork you are vacationing in write a poem.

Example:

King.

Standing with all his jewels.

Like a butterfly showing off its wings.

Royalty for all to see.

Follow the instructions below each line:

Choose one-word title based upon the work of art

Write an action phrase

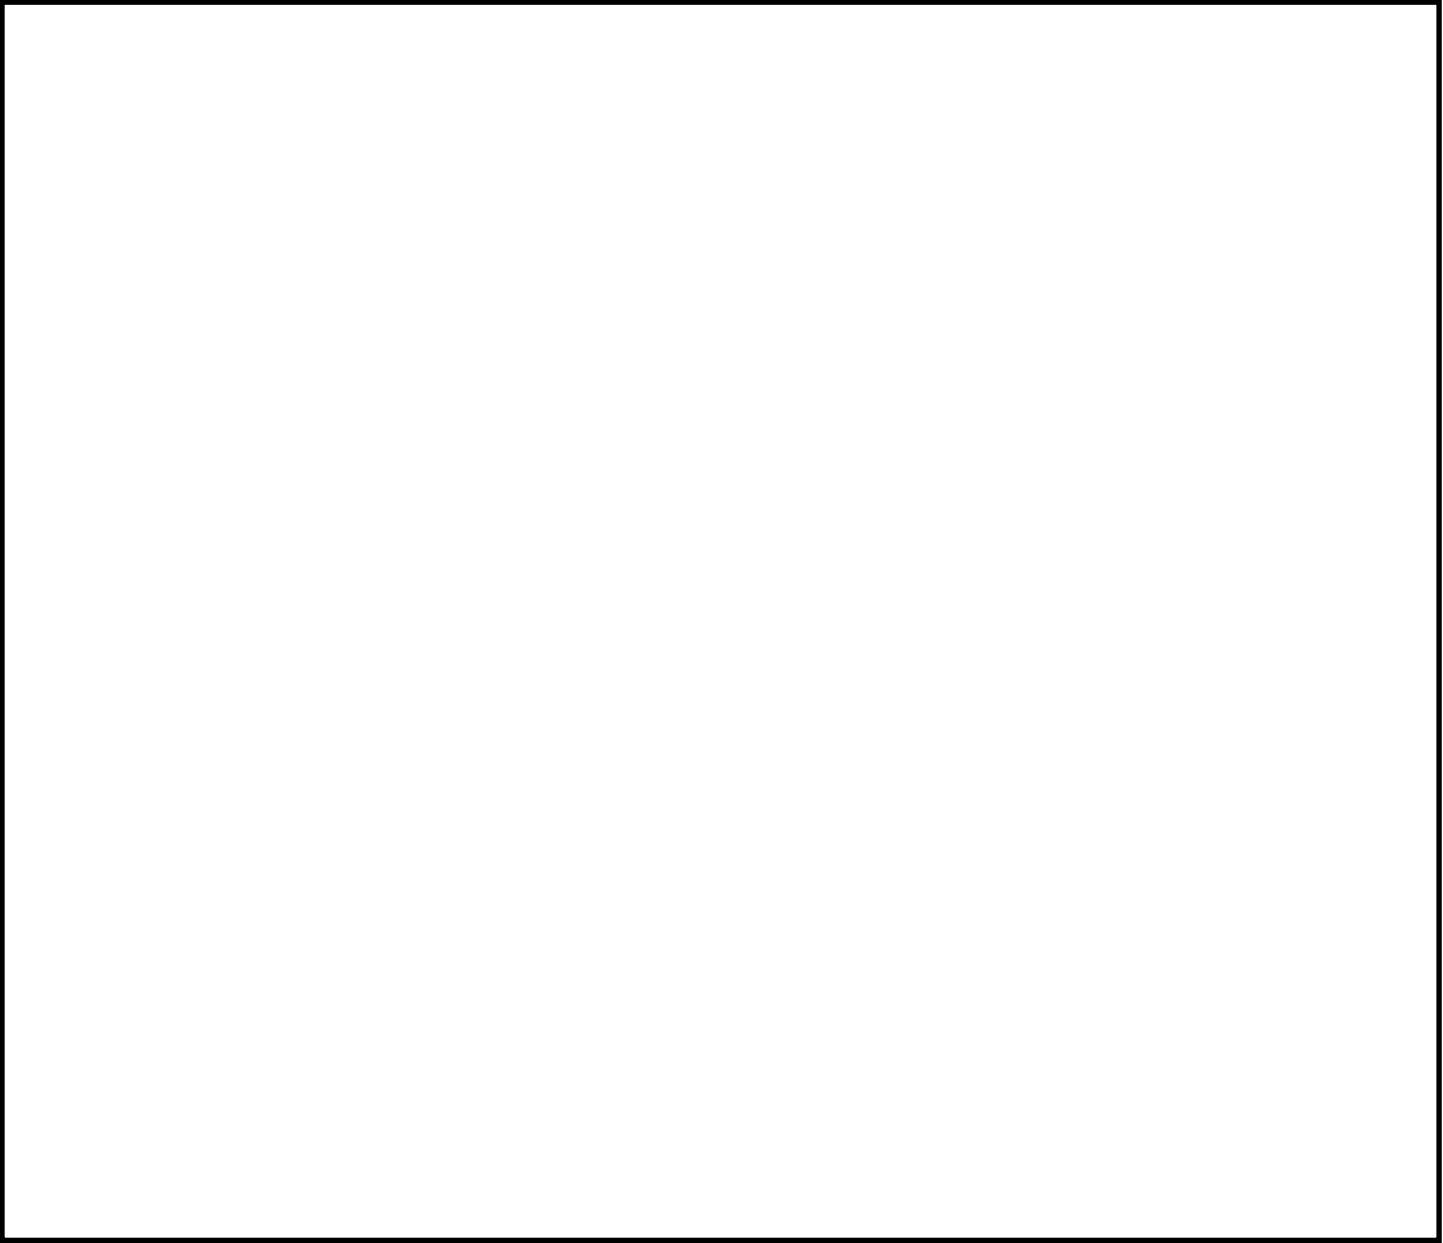

Write a simile (a phrase that uses “like” or “as”)

Give the artwork another, longer title

(Stand and read your poem to your classmates. Have your classmates’ poems helped you to see the artworks they wrote about in new ways? How? Why?)

FIND A SOUVENIR

Look around this piece of art. Find something in the art you would like to take home —a “souvenir” that would help you remember your trip? Sketch your souvenir!

NEWS BULLETIN

Imagine you are a news reporter. While on vacation, you came across the scene in this artwork. Write a short article for tomorrow's news describing what is happening: "the who, what, where, when and why" of the scene.

[illegible]

SEND A POSTCARD

You are at the end of your vacation. Write a postcard about your trip to someone you care about with whom you'd like to share your journey.

<div>Message</div>	<div>Picture of postage stamp & cost of mailing</div> <div>TO:</div> <div>Name of person</div> <div>Street number & street name</div> <div>City, State abbreviation Zip code</div>
